

Call for proposals

# DCVA Talent Program DOSIS & ARENA Prime

---

## Criteria

- The call is open for applications from talented researchers
- The proposal should be novel (not part of already funded work) and advance the DOSIS/ARENA Prime programs.
- The focus should be on adding knowledge and techniques to the consortium.
- The proposal should have the potential of generating future funding, for example by generating pilot data, by initiating or strengthening collaborations.

## Proposal template

Proposals should be written in English, using the template on the following pages.

Proposals should clearly describe and include all of the following points:

- The working plan
- The hypothesis
- The activities that add knowledge and techniques to the consortia and strengthen your CV
- Grant proposals to be submitted
- Relation to the CVON programs
- Complete budget
- Your CV, based on Dutch VENI CV format (also attached)

## Process and deadline

We expect the costs for salary and materials to exceed the amounts awarded in these grants. Therefore, your institution/department **must** commit scientifically **and** financially to your proposal. In case your project is granted, this commitment will be a condition before your project can start.

The evaluation and ranking of the projects will be done by the International Advisory Board of CVON DOSIS and ARENA-Prime.

## Deadline for proposals: May 1st 2020.

Proposals can be sent to [info@heart-institute.nl](mailto:info@heart-institute.nl) with as subject "proposal DCVA Young Talent program 2020"

**Proposal (max. 1 pg)**

Describe your proposal including specific headers for at least the following subjects:

- Description of work
- Activities that add knowledge and techniques to the consortium and strengthen your CV
- Planned future grant applications based on the proposed work
- Relation to the DOSIS & ARENA-Prime programs
